Date of Notice: October 20, 2016

Announcing the Availability of the Following Faculty Position:

Assistant Professor, Tenure Track

In the Department of

Math & Computer Science

Position Responsibilities:

The Concordia University, Saint Paul Computer Science Department invites applications for a tenure-track position in Computer Science at the rank of Assistant Professor, to begin August 2017. Applicants must have or be near completion of a Ph.D. in Computer Science or related field. ABDs nearing completion of the Ph.D. will be considered with the initial appointment to be made at the rank of instructor.

Applicants must be able to demonstrate a strong commitment to innovative and high quality teaching, excellent potential for continued scholarship, and interest in service to the institution. The position includes curriculum development, online coursework, and program chair responsibilities. In accordance with the university mission statement, applicants must be an active member of a Christian church and demonstrate a commitment to Christian higher education.

The typical teaching load is 24 credits per academic year and includes mostly online courses with some face to face courses in Computer Science. The ability to develop and refine curriculum is essential. Faculty members are expected to be comfortable with the use of content management system (ex: Blackboard) and other teaching technologies. Faculty members are also expected to advise students, work with the recruitment process, collaborate with colleagues in the College of Business and Technology, and mentor undergraduate projects.

Qualifications:

- Commitment to the mission and values of a Lutheran University
- Master’s Degree Required, Terminal Degree Preferred
- 2 Year of Online Instruction preferred
