Dependent Request Form

Procedures for inviting your spouse or child to join you in the United States are as follows:

- Obtain new financial documents for the current academic year’s expenses plus $3000 for
each subsequent dependent.
  * If you are on OPT (F-1) or Academic Training (J-1), you must show $1000 per
  month for your own expenses in addition to the amount listed above for dependents.

- Submit this Dependent Request form, along with financial statements and a copy of the
dependents’ passports, to the ISS office. We will notify you when the dependent I-
20/DS-2019 is available to pick up.

- You should review the I-20 (F-1 student) or the DS-2019 (J-1 student) for accuracy
  before sending the original document to your dependent. F-2/J-2 dependents are not
  required to pay the SEVIS fee; however, dependents should bring proof of your (the F-
  1/J-1 holder) SEVIS fee payment to the visa appointment.

Restrictions:

- F-2/J-2 dependent status is valid only for the duration of the F-1/J-1 primary visa holder’s
  status.

- F-2 dependents may not work while in the United States. F-2 dependents may not study,
  with the exception of F-2 children enrolled in elementary or secondary school. J-2
  dependents may apply for work authorization and may enroll in an educational program.

- Children must be under age 21 to qualify for dependent status.
